🚗 Parking Syp & Steyn

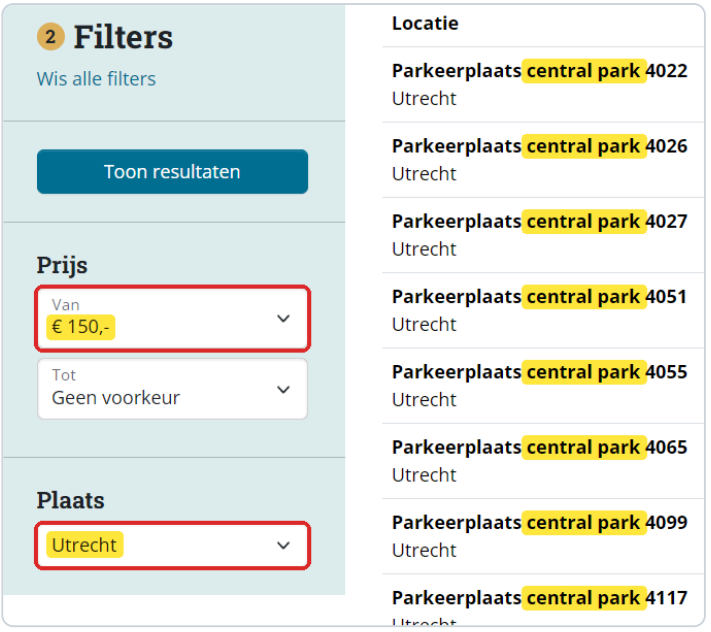

You can rent a parking spot in the Central Park garage. It costs **about €200–210 a month** including service costs, and the **minimum rental period is 6 months**. Qualifying works the same as when you rent an apartment through ikwilhuren.nu, but you need fewer documents. Just like with an apartment, processing can take up to a month.

Apply

Go to ikwilhuren.nu/parkeerplaatsen and set these filters:

- Minimum price: €150
- Plaats: Utrecht

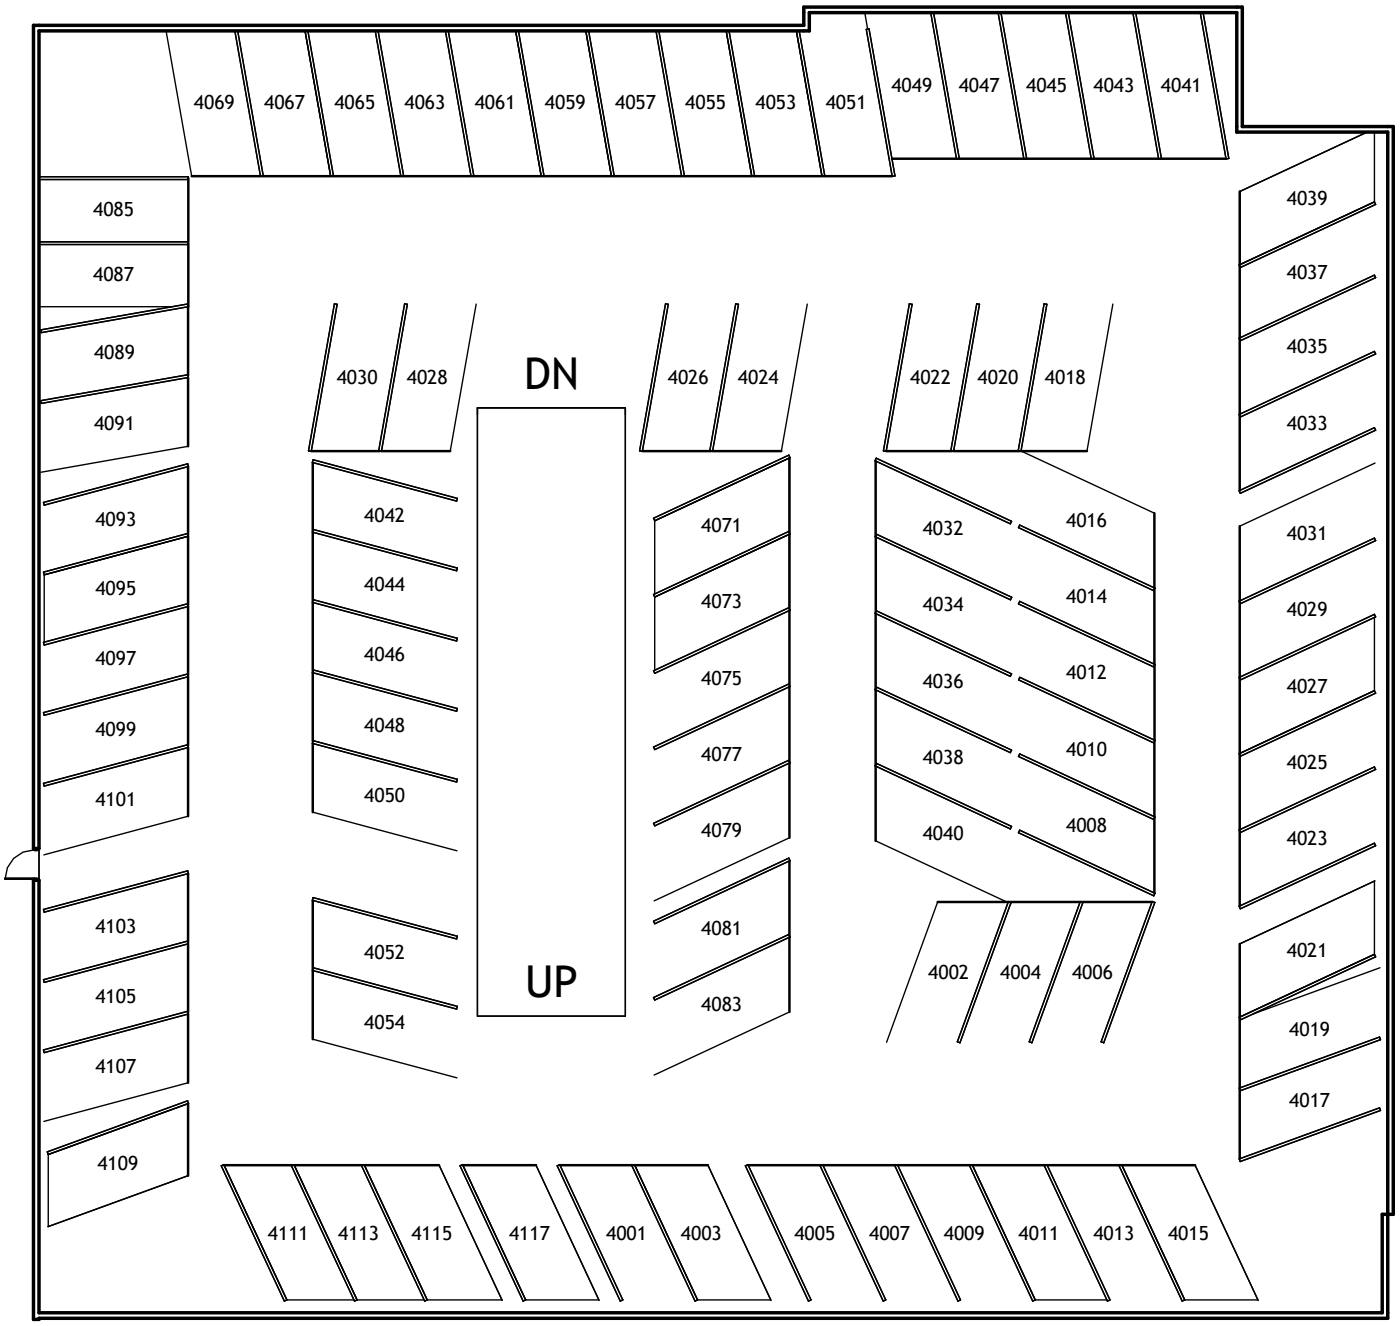

Look for **Parkeerplaats central park**. Floorplans for the numbers on the next pages.

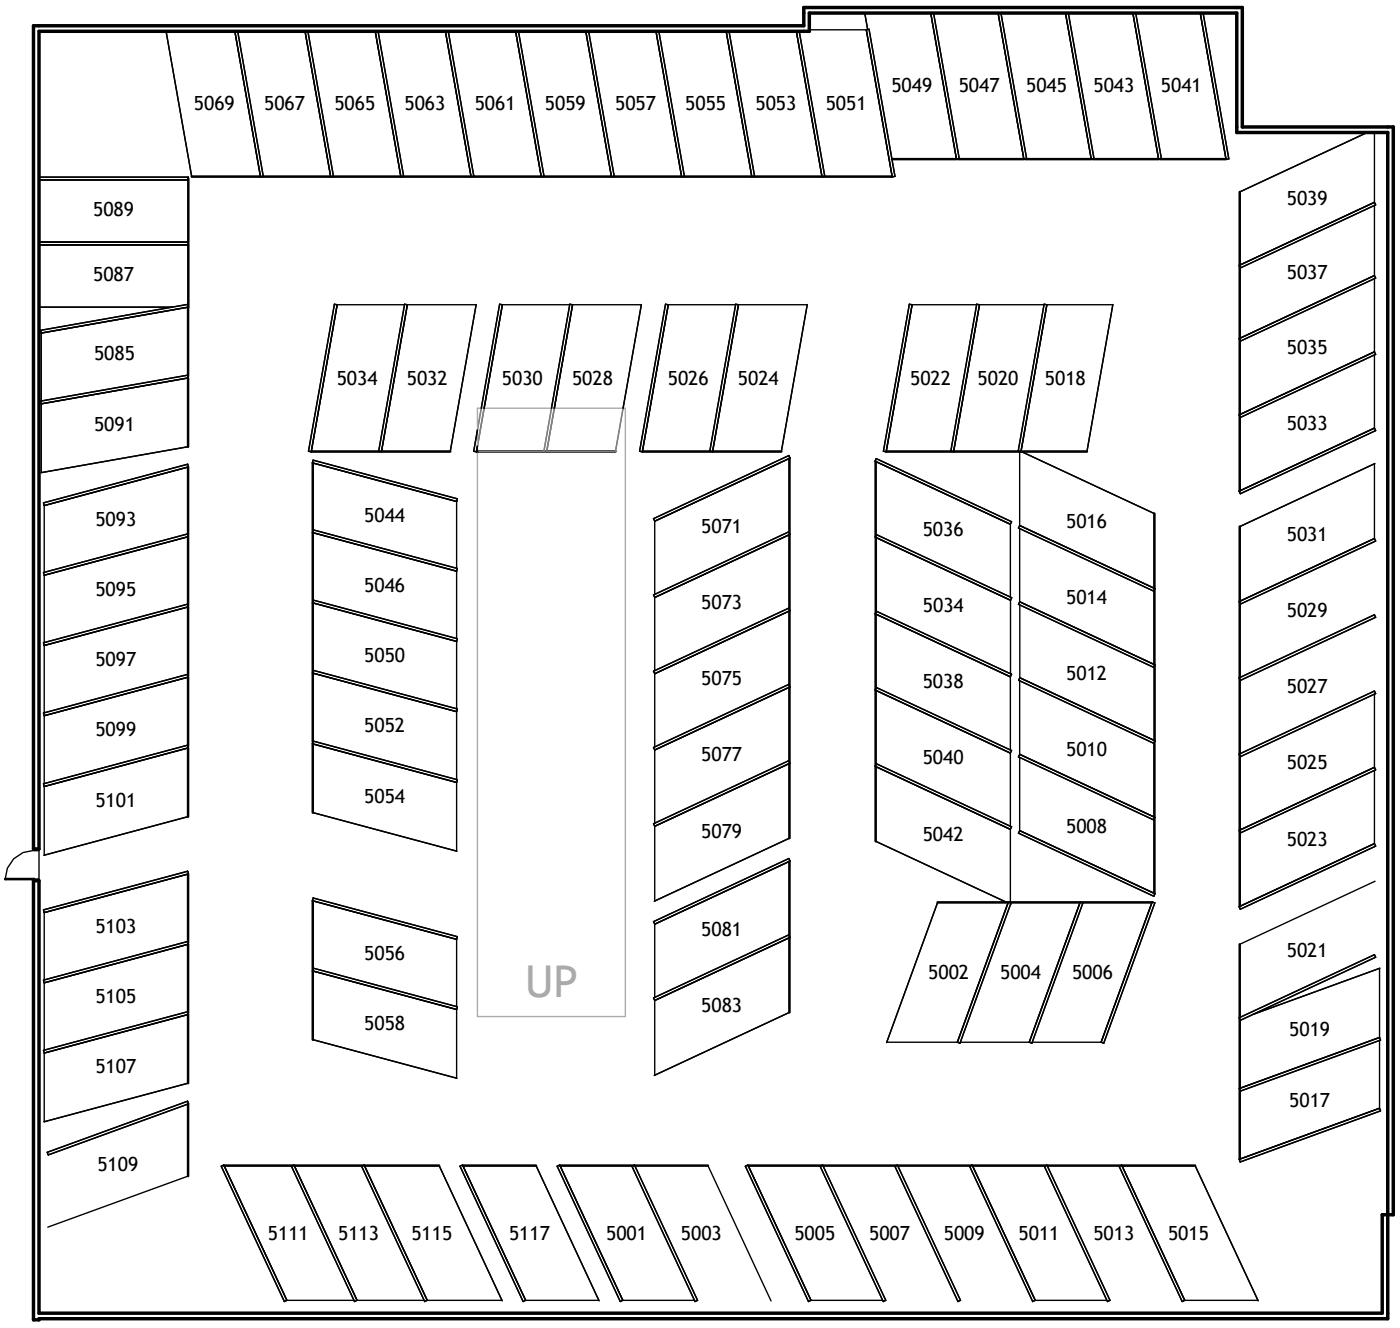

Location

The garage is below the big Steyn. Drive in through the car entrance near **Mineurslaan 11, 3521 AZ Utrecht**. You enter the garage at level **-3**. Keep driving down to level **-4** or **-5**, where the rental spots are. The spot number tells you the level: numbers starting with **4** are on -4, numbers starting with **5** are on -5. Charging an electric car is possible on level -3 or higher, but only outside office hours.
